Scoreboard shows Guilford's "East Eats Crow" victory.

Coach Smith

Varsity football was one of the biggest highlights at Guilford. The varsity Vikings rallied to an impressive 7-2 record and gained their first conference title in a three way deadlock with East and Baylan. The season was capped by the 13-9 victory over the Charles Street Annex.

This year's team compiled the best record and team finish in the Norse's five year history. One big advantage of the squad was experience. Most of the starting players were seniors who participated last year. Evidence of this experience showed up very clearly in the backfield.

In 1966 Guilford was led by an all Junior backfield, and this year the statistics proved its ability. Guilford was the leading offensive team in the Big Eight averaging over 300

yards per game and ending up scoring 208 points.

Passing was an outstanding feature of Guilford's team. Left handed quarterback Nick Janicki passed for 1165 yards with 51 completions in 103 attempts. The team finished first in the league in passing offense with over 140 yards each game.

Guilford had many individual standouts. Nick Janicki was Big Eight Back of the Year. He also made the all conference team along with Mark Hunt, Craig Luedke, Glenn Nowicki, and Ron Whelchel. Nick and Ron earned positions on the all state teams. Several other players won honorable mention.

The 1967-68 Viking football team did a great job. Future squads will have a difficult time upholding the standards that were set this year.

Mark Hunt yells encouragement to his team mates.

Heading for a possible score, Glenn Nowicki pulls away from an East defender.

Guilford's junior varsity team (the yellow jackets) compiled an impressive record of 5-1 this year in the completion of a highly successful season. Finishing in second place behind East, to whom they lost by two points, the Norse were able to put points on the board as well as to prevent their opponents from scoring.

In addition to posting an excellent record, the JV's also gained much experience that will prove invaluable in the coming season.

Although many seniors are graduating this year, these juniors will be able to fill key positions on the varsity squad and provide Guilford with another potential championship team.

Coach Beal confers with sophomore quarterback Jeff Luedke.

This year's sophomore team romped through the season winning 8 out of 9 games. Their 6-1 conference record gave the little Norse a strong second place finish in the Big Eight. The team, which was Guilford's largest, showed good potential. The form displayed on the field indicated that Guilford will be a Big Eight power for several years. Commenting on the season, Coach Beal said, "This has been a very good year. All of the boys worked hard and their improvement was tremendous.

## Pass and Go

Cross Country is rapidly becoming a tradition at Guilford. This year's teams were no exception. Both the Varsity and Junior Varsity ran away with impressive records. Neither was defeated in dual meets against other Big Eight competitors, and in the Conference meet both finished first. The varsity team went on to win the District meet and at the state meet, it finished 16th.

Much of Guilford's strength lies in underclassmen. Three of this year's team members were seniors while the rest were juniors and sophomores. Next year, Guilford will again have the experienced returning lettermen.

By nature, cross country is an individual sport, and Mr. Leden has the difficult job of making a team. A great advantage of the 1967-1968 squad was that they were a unit.

The strain shows on Joy Palm's face as he places third in the Big Eight Conference Meet.

Coach Leden relaxes with Sophomore team before conference meet.

On his way to the Conference championship, Jon Rown leads the pack.

The Sophomore Cross Country team does not compete much as a unit; however, this doesn't decrease its importance. In their first meet of the season, the 'little Norse' finished fourth out of four teams at Crystal Lake. The next time, they ran as a team and captured the Big Eight Title. This year's team shows great promise, since most of the members will move on to the Varsity or Junior Varsity. Two outstanding members of this year's team are Sophomore champion, Jon Rown, and promising freshman, Tim Werner.

Led by five starting seniors, the Vikings completed their best season ever, winning 19 games and taking their first conference championship. In addition to winning the Big Eight, the Norse also captured the 16 team Rockford Classic by upending a strong Corver team in the finals. Perhaps the biggest thrill of the season was the 56-47 victory over West that iced a tie for the conference trophy. In that contest, the Vikings were led by "Mr. Cool" (John Knutsson), starting forward on the all-Big Eight team, who netted 21 points, and by "Mr. Freethrow" (Larry Dykstra), the Big Eight second team center, who contributed 18 points. The Norse JV's this season were 6-5, coming on strong in their later games.

# Grapplers Take Conference, District

After suffering four early season setbacks, the Varsity wrestlers roared back to win 11 out of their last 12 matches and captured first place in the conference and district meets. In winning the conference at West, Guilford placed eight wrestlers in the finals. Two won their classes—Sam Zeller at 120 and Greg Arnold at 127. Arnold, and Glenn Nowicki, at 145, won titles at the district. On the season, Nowicki com-

piled a new all-time record of 29-4-0 and finished fourth in the state, while Arnold was 26-3-1, taking sixth.

This season was the first time that the Varsity had placed higher than third in the conference, and the first time that they had won the district. The sophomores evened at 4-4 and took third in the conference, while the JV's compiled an admirable 8-1 record and took first place in the conference.

The 1967-68 swimming season was the best in Guilford's history. The team had a perfect dual record of 12-0. The closest opponent was more than 20 points away. At these meets, most of the 124 new records were set. Varsity records fell in every event except the 50 yard freestyle and diving. Special events also went well. Guilford placed first in a five team meet, defeating powerful Rack Island. It took the team two weeks to win the Janesville Relays because of a mistake in scoring. By this time, Guilford was the team to beat.

The Sophomore Conference fell to Guilford for the first time. At the meet, Steve Swanson did the 100 yard freestyle in 51.0. This qualified him for consideration as Guilford's first all-American. Next came the city meet, which Guilford took for the first time and then the conference. Guilford won five events on its way to its first conference championship.

The district meet was the swimmers' first big challenge. The team ended up in third place, its best finish ever. At the same time, Steve Swanson, Steele Ross, and the 400 yard freestyle relay team of Steve Swanson, Myron Slaan, Jon Kohl and Forbes Ross qualified for the state meet. At the state meet, the relay team finished seventh with a time of 3.25.6. This established a new metropolitan record and gave Guilford twentieth place in the competition.

Winning another conference championship was the goal of this year's track team. Even though this was also the goal of the other schools, Guilford had more than just hope going for it. With several returning lettermen and cross country team members, the squad looked impressive.

Lorry Dykstra was definitely one Viking standout. He competed in the high jump and the discus. At the season's opener, the Oak Park Relays, he cleared 6'5" in the high jump. Lorry, however, was not the only hope.

Joy Polm, '68, Greg Hakola, '69, Rich Toppe, '69, and Brad Seogo, '70, comprised the distance relay team. All were members of the cross country team that won the district meet. Speed was not lacking with Greg Arnold, '68, and Glen Santeler, '69, on the sprint relay team.

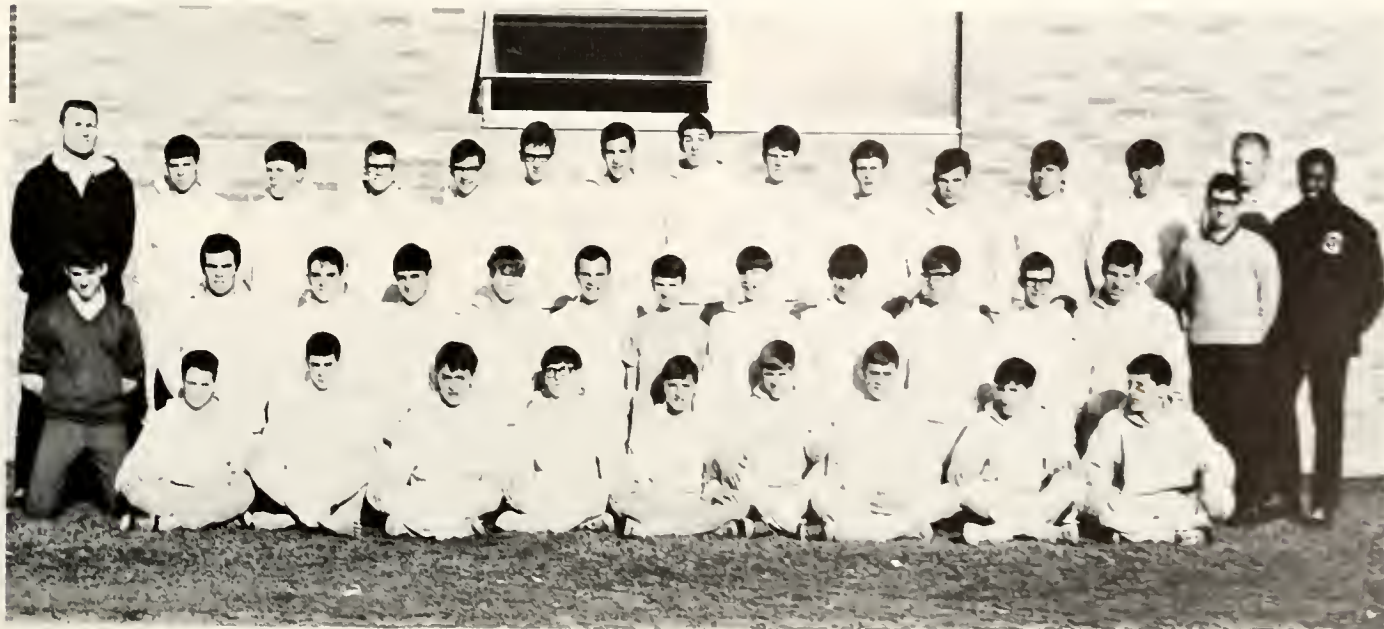

Others to watch were Craig Luedke and Roger Boyd in the long jump, John Meyers in the low hurdles and John Holmquist in the high hurdles. Rob Letsinger and Lorry Sudduth in the shot put and Bob Hunter in the pole vault rounded out the team.

Sophomore Jon Roen is the top candidate for swimmer.

## Linksmen Look to State

Guilford's golf team set its sights on going all the way this year. The optimism was not unwarranted. Only Rick Rasmussen, '67, was lost from the squad's top ten. The experience was expected to prove helpful to the returning nine lettermen in any close matches.

The season began with six players in contention for varsity spots. Steve Benjamin, '68, Jim Bullard, '69, Bill Rosecrance, '69, and Tom Anderson, '70 were given the first four spots. Steve Keene, '68, and Chuck Ind, '69, were battling for the fifth spot.

Even with several underclassmen on the varsity squad, the JV's appeared in top form too. Many sophomores, including Mark Dorgene, Randy Grout, Steve Fransen, Tom Grans, Bob Wilson and Bob Wolfley were aiming at top positions. These sophomores hoped to spark the JV team to an impressive season.

Competition looked tough at the beginning of the season. It looked as if Freeport would provide the strongest challenge. According to Coach Roger Lindeman, Guilford had the potential to take the conference title. With many fine underclassmen trying out, prospects look good for several years.

This year's tennis team worked on conditioning and fundamentals in an effort to bring a promising team into winning form. The lack of a home court has hindered all Viking netters to date, but a great spirit to win has been cited as a favorable factor by Coach Narman Erickson.

Opening drills for the team consisted of a week of running and practicing at Marsh and Blarum schools, and at Sinissippi. The Viking assault against the rest of the Big Eight was led by Lou Belken, who played at the top spot and has been regarded as "the finest number one man ever at Guilford." The other five spots, however, were undecided and heavily contested between seniors Tom Grimes, Randy Thompson, and Bill Bowman; juniors Terry Johnson, Bob Thayer, and Rick Ferkel; and sophomores Jeff Luedke and Marcus Grimes. While taking on a tough 18 match schedule, the netters faced such stiff competition as Baylan, Freeport and East and such tennis powerhouses as Rochelle and Beloit Catholic.

This year, the Viking diamondmen took their first trip downstate to play four exhibition games prior to opening their regular season. This year's team was similar to last year's except for three graduating seniors. The team's strongest area was pitching with returnees Ron Holmer, Nick Jonicki, Dennis Sweeney, and ace Glen Nowicki who had 44 strikeouts last year and a 1.22 earned run average. Veteran Brad Blair started his third varsity season at third, and last year's leading hitter Dick Dummer (.33) manned one of the outfield positions. This year looked promising for the Vikings in Big Eight play as evidenced by their first game 18-2 victory over Champaign.

Sue MacMorris, '69, performs her solo act in "Hither, Thither, and Yon."

"Hither, Thither, and Yon" was the spring swim show put on by the Guilford Valkyries on April 18, 19, and 20. With the profits from last year's show, the club bought a black light used for the first time in a floating pattern act performed by all the graduating club members. Also, an all-boy act and a co-ed act were featured.

Under the direction of Mrs. Diane Mitchell, the Guilford girls interested in synchronized swimming practiced every week for two months in preparation for the show.

The 1967-68 Valkyrie officers included Sue MacMorris, President; Mary Nelson, Vice-President; Cindy Cartwright, Secretary; and Sue Pang, Treasurer.

Take a look around your home. What do you see? Among other things there's probably a record player, a radio or two, and a television set. And chances are you wouldn't want to be without them. Do you ever stop to consider that *one* element which makes these things functional?

It's electricity. Electricity . . . so fundamentally vital and purposeful that it is, without question, one of the greatest servants and values of modern society.

### Congratulations, June Graduates —

... special congratulations, because you had the good judgement to complete your high school training.

Some of you will choose to start your working careers at Barber-Colman Company. We welcome you — with friendship and an understanding of how it feels to be new at this business of seriously making a living.

Technological, economic, and social change and improvement are perpetual motion in our Country. At Barber-Colman, we try to provide a climate that helps you to continue the growth you have started with your formal education, so you (and we) can keep pace with progress.

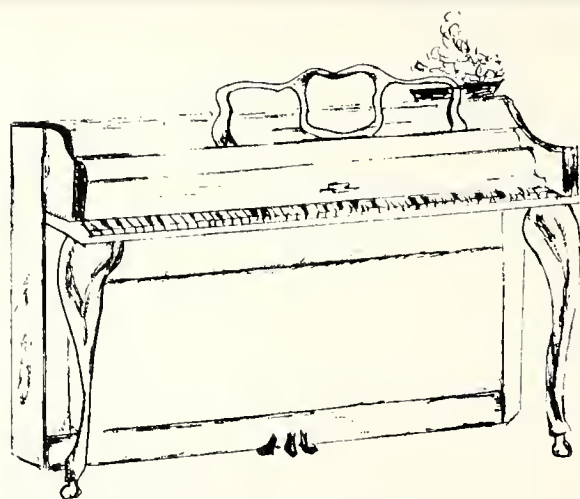

After your formal Commencement, come and discuss commencing with us. Let's keep on growing.

*where  
do you go  
from here?*

Congratulations June Grads from Rockford Crescent. Right now is a good time to start cutting through the maze of different ideas on where you go from here.

If you are wondering what the future holds for you . . . stop for but a moment and think about the many dignified, productive and personally satisfying professions right here within Rockford industry. All of them help make our progressive technological society possible.

Two such professions are header die makers and machinists. They both contribute culturally and economically. Our automobile industry and its affiliates alone—which Rockford supports with its machine tool capacities—represent a full third of this nation's total economic output. These industries help maintain the economic vitality of America.

Rockford Crescent, one such industry, is looking for header die maker and machinist apprentices. Here you would have the opportunity for advancement and participation in rewarding employee benefits, and you would be directly helping to support our great American way of life.

So . . . if you think you have a future in industry, come to Rockford Crescent, Rockford's leading manufacturer of wire drawing machinery and other industrial equipment.

Who know's? Rockford Crescent may be where you go from here.
